Ex. File No 250 of 1905

Serial No 7

From the Dy Commr, Shimoga.
No 1198/843 of the 23rd June 1906 —
Submits with Reference to G.O. No 11221-3/250-05-3 of the 1st May 1906 a Report on the building referred to and the usual Declaration Statement for acquiring it under the Land Acquisition Rules.

The question now to be decided is whether the house may be engaged at the increased rent of Rs 40 per mensem to which the new owner thereof has agreed or whether it should be acquired under the Land Acquisition Rules.

The D.C. had estimated the cost of the house at Rs 5000 but according to the detailed estimates of the Executive Engineer received with the Dy Commr's letter its cost is Rs 6000. The Dy Commr states that the house is suitable for the Students' Home and that it can be acquired for Rs 6000. ~~If the house is to be acquired under the rules~~, the Chief Engineer has stated in his note of the 9th April 1906 (Supra) that Rs 5000 can be made available by Reappropriation from the current

C3 of the Current papers

Note—Contn sheet

GPB—50 000 -23 10 05

year's P.W Budget for the purchase of the house Now Rs 1000 more are Required. If the house is to be acquired under the rules a sum of Rs 6000 will have to be provided in the next year's P.W Budget as the Savings stated to be available will lapse at the close of the current year. Submitted for orders

Kur 27/6/06

28/6/06

Probably there may be savings in the P.W budget of the next year also - In any case, if the expenditure is decided to be really necessary, it may be procured & suitable provision made by a fresh Grant or otherwise

The choice now is between buying up the house, at an approximate cost of 6000, by means of proceedings under the L.A. Act or finding Govt. room to take a lease of it on Rs 40 a month for 5 years. The former course seems preferable -

To Secretariat

29/6/06

439
30-6-06

Yes - It seems preferable to acquire it under the L.A. Act for the market price + percentage for compulsory acquisition

Bangalore

SIR,

In Continuation of my letter No 7368/433 dated 19 march 1906, I have the honour to inform you that the Honorary Secretary of the Students' Home, Shimoga, reports that Mr E Sundarama Iyer the owner of the building used for the hostel, has served him with a notice dated 22 march 1906 to quit the building within a month as the owner has sold the house to Sowcar I Venkatasiya M v and that the purchaser

is about to leave the house to the postal department for Rs50 a month. Under these circumstances I request that Government may be pleased to order that the house may be purchased by the Public Works Department under the Land Acquisition Act for the accommodation of the Students' Home. There is no other house available in Shemoga which can be rented for the purpose. A useful institution will have to be closed if the purchaser enforces his rights and compels the removal of the hostel.

I have the honour to be,
Sir,
Your most obedient servant
H J Brabbs

To, K. S Chandrasekhara Ayya Esq
Secretary to Government
General & Revenue Depts

Sir,

With reference to Government Proceedings No 11221-3 / Ed (250-05)-3 dated 15th May 1906 directing me to submit proposals for the acquisition of the house now used as Students' Home in Shimoga, I have the honour to state that the building is conveniently situated being almost midway between the High School and the A V School where the Normal School is also located. The building consists of 2 blocks enclosed

(13)

enclosed by an extensive compound and has road on two sides. One of the blocks is of recent construction Excepting the floor which is of stone the building is sound the roof of the main-building requires repairs, otherwise it is also in a good condition. The bath-room which is only a temporary mud building will have to be constructed anew

2. I had estimated the value of the building at Rs 5000/ the Executive Engineers approximate Estimate as intimated to the Inspector General of Ceremonies was the same He now says that according to a detailed Estimate prepared lately, the estimate amounts to Rs 6000/. I am of opinion that the building might be purchased for this amount if the owner agrees to it or awarded to him under the Land Acquisition Regulation

Negotiation if he does not agree
If, however, Government decide
to take the building on condition
of paying rent as reported by
the Dean - officially instructions
may be issued for the proceedings
for acquiring the land being
dropped

3- The plan of the building
of the compound -- the report on
their condition received with the
Executive Engineer's No 723 dated
19th June 1906 are hereunto
forwarded for information

4 The usual declaration
Statement is also submitted If
approved, the Same may be caused
to be published in the Bazaar Gazette

I have the honour to be,

Sir,

Your most obedient Servant

Dist

Report on the Solemnate of the roof of the Compound wall and buildings used as Students' House at Shemoga 15

Reference

Shemoga Asst Dy Commr
No 607 of 1-6-06

Report.

The roofing Compound and the buildings on it and the wall comes to Rs 6,000 as per detail measurements taken

From inside my Office I proceed on South

with jungle wood rafters and roof made up of jungle wood purlins and mangalore tiles The materials of the roof are in good order.

The buildings have good foundations 3 feet and 3' basement with hard granite stone, there appears to be no cracks in any of the walls doors and windows All the doors except 3 on the rear wall of main building are of teak Two of them are 2/3 glazed and 1/3 panelled

The windows have all iron bars and glazed and wood Shutters except for two The two in verandah of dimensions 4 1/8' x 4 1/3' are in bad order and the rates are proportionately cut down

Flooring The flooring of main buildings is made up of Square bricks Except for rear verandah and rear side rooms, which have Granite flooring, a few deviation has been made for damaged stones

Roof The roof is of jungle wood purlins, flat and pot tiles, of which in Several places the tiles are damaged

The rear Verandah roof is of jungle wood purlins and pot tiles

Wood work The whole of the roof is taken as jungle wood, Several of the rafters are worm eat

The work is required to be thoroughly

overhauled and repaired with ⅓ new materials in place the buildings to be purchased

Rear rooms As shown in the plan, there are 4 rooms, Store room, one dressing hall, one cook room and one fireproof room with a small verandah in front The wood work and roof are in good condition The walls are all of brick in mud not plastered inside both inside and outside

The inner yard has a compound wall tank with two gates

Buildings with Mangalore tiled roof on the right

These buildings seems to be of recent construction The walls are all of brick in mud and chunam plastered It has a very shallow foundation and 2 ft of basement

The doors and windows are all of teak and in good condition The roof timbers are also of teak with teak rafters and Mangalore tiles

The flooring is of cement

Bath room There is not a proper bathroom The walls are mud walls with roof of bamboo frame work and pot tiles These requires to be reconstructed if the buildings are to be purchased

Well The well is 41½ ft deep with 6' ~~deep~~ water at present The sides are built of brick in lime and plastered to a depth of 15 ft from top of wall, also the parapets are of brick masonry The pulley and uprights are not strong enough and requires to be renewed.. The water of the well is brackish

Compound The compound wall is of mud with stone in clay foundation of 4 ft The area of compound is calculated to be 10.563 Sq yards of

Shimoga Town

Latrine Block to work Quarters not properly constructed. Block only 4'x8' Size of old houses with mere mud walls are from being used as latrines in addition to the one mentioned.
